The UITF is NOT a DEPOSIT and not insured by PDIC. Due to the nature of the investments, yield and potential yields cannot be guaranteed. Any income or loss arising from market fluctuations and price volatility of the securities held by the UITF, even if invested in government securities, is for the account of the investor. As such, units of participation of the investor in the UITF, when redeemed, may be worth more or be worth less than his/her initial investment/contributions. Historical performance, when presented, is purely for reference purposes and is not a guarantee of future results. The Trustee is not liable for losses, unless upon willful default, bad faith or gross negligence.

¹ The current fee is 1% of the NAV of the Fund.

² Since its launching on August 8, 2006, no special expenses have been charged against the Fund.
